EUROSON SCHOOL

Liver and beyond: from basic to the advanced knowledge  
**ROMA** | ERGIFE PALACE HOTEL 15 | 16 NOVEMBRE 2019

EUROSON SCHOOL Liver and beyond: from basic to the advanced knowledge

**ROMA** | ERGIFE PALACE HOTEL 15 | 16 NOVEMBRE 2019

**Course Directors: V. Cantisani (Italy) - C. Serra (Italy)**

**Scientific Committee: M. D'Onofrio (Italy) - F. M. Drudi (Italy)**

## FRIDAY - NOVEMBER 15

---

### INTRODUCTION

- 9.15 Welcome and opening  
*V. Cantisani (Italy), C. Serra (Italy)*

---

### Session 1. LET'S REVIEW THE METHOD

- 9.30 Microbubbles: physical principles and safety considerations  
*V. Mithkow (Russia)*
- 10.00 New software and future perspective  
*C. Dietrich (Germany)*
- 10.30 How to perform a technically perfect CEUS  
*C. Dietrich (Germany)*

---

### Session 2. STARTING WITH THE LIVER

- 11.00 Benign focal liver lesions: the real help of CEUS  
*V. Cantisani (Italy)*
- 11.30 Primary and Secondary Malignancies:  
patterns and role of CEUS in the diagnostic workflow  
*F. Piscaglia (Italy)*
- 12.30 Vascular Liver Disease: benefits of use of CEUS  
*C. Serra (Italy)*
- 13.00 Interactive cases: learning from clinical practice  
*D. D'Ardes (Italy), C. Tana (Italy)*
- 13.30 **Lunch Break**

### Session 3. CEUS OF THE KIDNEY AND PANCREAS

- 15.00 Kidney: CEUS , true or false help?  
*M. Bertolotto (Italy)*
- 15.30 Pancreatic diseases: CEUS patterns and indications  
*M. D'Onofrio (Italy)*
- 16.00 Interactive cases: learning from clinical practice  
*G. Galati (Italy), C. Jenssen (Germany)*

---

### Session 4. CEUS OF SUPERFICIAL ORGANS, MUSCULOSKELETAL AND UROGENITAL SYSTEM

- 16.30 Superficial organs: when could we or should we use CEUS?  
*M. Radzina (Latvia)*
- 17.00 Any indication for CEUS in musculoskeletal disease?  
*R. Stramare (Italy)*
- 17.30 Interactive cases: learning from clinical practice  
*N. Di Leo (Italy), Z. Harkanyi (Hungary)*
- 18.00 **Discussion**

EUROSON SCHOOL Liver and beyond: from basic to the advanced knowledge

ROMA | ERGIFE PALACE HOTEL 15 | 16 NOVEMBRE 2019

## SATURDAY - NOVEMBER 16

---

### Session 5. CEUS AND PELVIC DISEASE

- 9.00 Scrotum and Prostatic diseases: must CEUS be an available tool in our lab?  
*P. Sidhu (United Kingdom)*
- 9.30 Uterine and ovarian diseases: some CEUS indications  
*C.A. Testa (Italy)*
- 10.00 Interactive cases: learning from clinical practice  
*A. M. Isidori (Italy), C. Pozza (Italy)*
- 

### Session 6. CEUS AND GASTROINTESTINAL TRACT

- 10.30 Chronic Intestinal disease: multiple applications of CEUS, imaging patterns and related management benefits  
*O. H. Gilja (Norway)*
- 11.00 Acute Intestinal disease: when it's worth using CEUS  
*G. Maconi (Italy)*
- 11.30 Interactive cases: learning from clinical practice  
*E. Calabrese (Italy), G. Maconi (Italy)*
- 

### Session 7. CEUS AND INTERVENTIONAL ULTRASOUND

- 12.00 Percutaneous liver lesions ablation: never more without CEUS!  
*L. Solbiati (Italy)*
- 12.30 Interventional beyond the liver: the CEUS contribution  
*M. F. Meloni (Italy)*
- 13.00 Interactive cases: learning from clinical practice  
*M. F. Meloni (Italy), L. Solbiati (Italy)*
- 13.30 **Lunch Break**

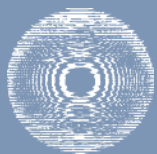

EUROSON SCHOOL Liver and beyond: from basic to the advanced knowledge

**ROMA** | ERGIFE PALACE HOTEL 15 | 16 NOVEMBRE 2019

## Session 8. OTHER CEUS APPLICATION: the Never ending Story

- 14.30 CEUS in blunt abdominal trauma  
*V. Miele (Italy)*
- 15.00 Pediatric CEUS applications  
*A. M. Deganello (United Kingdom)*
- 15.30 CEUS and endoscopic applications  
*A. Saftoiu (Romania)*
- 16.00 From carotid artery to aorta: which role for CEUS?  
*D. A. Clevert (Germany)*
- 16.30 Interactive cases: learning from clinical practice  
*D. Fresilli (Italy), A. Rubini (Italy)*
- 17.00 How to report a CEUS exam  
*F. Calliada (Italy)*
- 17.15 Closing remarks and Take-Home message  
*F. Calliada (Italy), V. Cantisani (Italy), C. Serra (Italy)*
